1. [] Frank Reeder, OMB, called 25X1
regarding yesterday's markup session on H. R. 12206, which provides
individuals access to records on them maintained by Government agencies.
He was asked to defend the Agency's request for a total exemption from
the bill, as suggested by CIA and OMB, and put off the issue, suggesting
that an Agency representative would be in a much better position to relate
exactly why we need a total exemption. He feels we may have a difficult
time carrying the total exemption, and believes that the Committee would
be much more receptive to language which in effect exempts the Agency
but doesn't name us. I told him I was quite sure we could have a representa-
tive attend next Tuesday morning's markup session.
2. [] Delivered to the offices of 25X1
Senator James L. Buckley (R., N. Y.) and Representative Sam Gibbons
(D., Fla) FBIS items in which their names were mentioned.
3. [] Delivered to Linda Friedman on the staff 25X1
of Representative Thomas M. Rees (D., Calif.) the Agency "Chiefs of
State" publication advising her that it was available through the Library
of Congress Docex program.
4. [] Delivered a "Middle East Atlas" to 25X1
Lucy McClellan on the staff of Representative William Lehman (D., Fla.)
for the Congressman's use. I told her that constituents should request a
copy of the "Atlas" through the Government Printing Office.
5. [] Met with Pete Butler, Administrative 25X1
Assistant to Representative Lawrence J. Hogan (R., Md.), who gave me
a copy of a letter from [] for STAT
our information. No response is required. [] CI Staff, has been 25X1
advised.
